

# THE ONLY ONE OF ITS KIND IN THE NORTH WEST CINEMA & LIVING ROOM EXPERIENCE

Come and visit the future at the **North West's** leading home entertainment centre.

SHOWCASING THE BRAND NEW STATE OF THE ART

# 3D PROJECTOR

We can convert any living space including your garage into the ultimate cinema experience!

The **3D Cinema Room** at Westbrook has been developed for those with an eye and ear for outstanding quality. Showing how you can build or convert an existing room or garage into a full on high street cinema experience. The Martin Dawes Cinema Room is the only one of its type & size in the North West.

The **Living Room** enables you to get an amazing live experience, whilst our techsperts talk you through the state of the art technology on view. The main benefit being you get a real life visual and audio experience that will be replicated when you get your own personalised system home.
